

FIG. 1

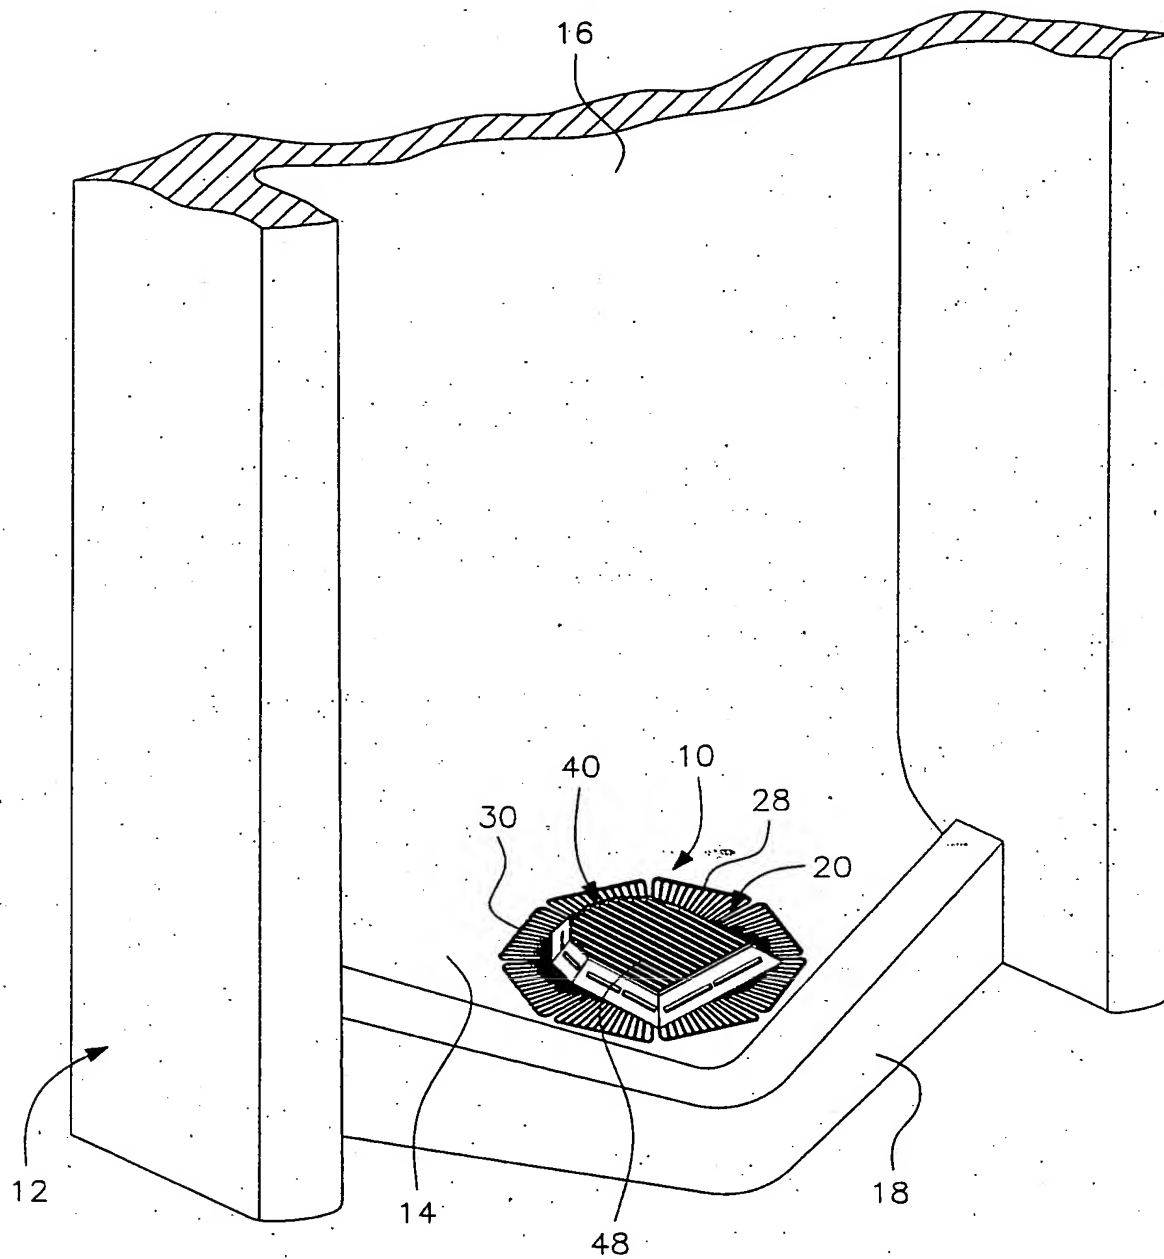

FIG. 8

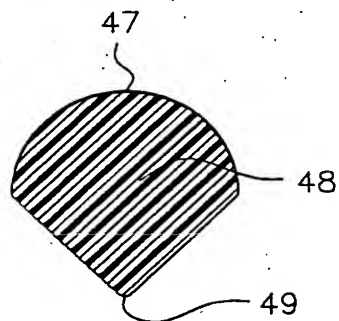

FIG. 2 is a perspective view of a hexagonal cage assembly 20. The assembly includes a base 24a, a top 24h, and six side panels 24b through 24g. Each panel is formed by a series of parallel vertical bars 28. The panels are connected by hinges 30. A central vertical support 40 is shown. A cross-section line 7-7 is indicated on the right side. Other labels include 42, 44, 46, 48, 51, 52, 54, and 56.
